Services Package:	£600.00 per annum	For heavy users, package is charged at £1,200 p.a.
Parking by your Boat:	£120.00 per annum	Additional charge for zones L, D & E only
Deposit:	£250.00	Fully refundable and deductible against first year's mooring fee
Example: (Annual charge for average 55' boat)	Standard mooring fee: $52 \times 0.60 \times 55 =$	£1,716.00
	Optional services package:	£ 600.00
	Total annual charge:	£2,316.00

Notes & Further Explanations

Services Package:	To minimise costs for those who don't require it, the standard mooring fee covers the cost of keeping your boat in the marina only. For those wishing to benefit from full access to the marina's many facilities (secure parking, water, electricity, toilets, showers, laundry etc.) there is the option to purchase a separate services package which is independent of boat's length.
Electricity:	The standing charge for provision of electricity is included in the services package, so the only additional charge is for actual metered usage.
Finger Moorings:	All finger moorings are charged at a minimum rate equivalent to a 57' boat.
Payment:	Payment should be made to Kilworth Investments Ltd. Bank Account No. 87057433 Sort Code: 53-81-46
VAT:	VAT is included in all the above prices at the prevailing rate, (currently 20%).
